During the pandemic Scottish Indexes have been hosting a series of free family history conferences. Our next conference is scheduled for Sunday 5 December 2021 ([click here to register on Zoom](#))

Names the Shetland FHS have examined and researched in the past

These include Abernethy, Arthur(son), Bolt, Goudie, Gifford, Henry, Mouat, Pearson, Robertson and Anderson. Hay is next scheduled (see our website) but has been cancelled twice due the pandemic but is scheduled for June 2022.

Shetland Family History Society has a donation button on their website home page which you can use if you would like to support the society and ensure we can continue with more of these events.

Thank you for your support.
